Protocol status: Working
We use this protocol and it's working

Created: November 10, 2023

Last Modified: September 09, 2024

Protocol Integer ID: 107208

Keywords: Surgery, tracers, injection, nanoject

Abstract

This protocol describes the delivery of a neuronal tracer using the Nanoject II. The surgery uses a stereotaxic system to target specific brain coordinates in the mouse.
