## ABSTRACT

**Yale's SalivaDirect protocol:** ""For diagnostic and screening purposes, only labs designated by Yale and that follow the Instructions For Use, which we will provide, can use SalivaDirect. For research purposes, our open-source protocol can be used."

**Suggestion:** "protocols in this collection have not been tested/verified by the staff at the CDC."

**Suggestion: "Do not disseminate."** Only labs designated by TOAST should use these instructions."
