[Keto Start ACV Gummies](#) question is how do consumers inform the government of the need for a special coding or otherwise provide guidance on preventive screening based on intent at time of service, not on subsequent findings? I could write my local congressman, but he is a newly elected conservative Republican who opposes health care and everything else proposed by Obama.

[Keto Start ACV Gummies](#) If I wrote him on the need for clarification of preventive health visits, he would interpret that as a letter advising him to vote against health care reform at every opportunity. I doubt my two conservative Republican senators would be any different. They have stand pat reply letters on health care reform that they send to all constituents who write in regarding health care matters.
