How do Kerassentials work?

Kerassentials works as an incredible formula that addresses the root cause of toenail fungus. When the Kerassentials serum is applied to the nails, the active ingredients start to penetrate the root and trigger your immune system to attack the deadly fungal traces and provide healthy nails. This serum **shields your skin protects your nails from fungus and boosts your cells' natural immunity**. Kerassentials come in the form of a solution, and it is easy to apply to the nails. The formula in this solution gets rid of itches, distorted toenails, and more. Regular use of Kerassentials offers a faster relief and has no artificial ingredients or toxins added.

If you don't starve the fungus in the right way, you might lose the toenails in a few weeks. Hence, using Kerassentials might be the right fungus starving method that prevents its outbreaks naturally.

Kerassentials Ingredients:

Kerassentials is a serum made from premium quality natural ingredients. The manufacturer has combined the power of proven ingredients that are easy to use, precise, odourless liquid serum for optimal results.

Clove bud oil is an anti-fungal oil that helps heal fungal infections and protect nails and cuticles from infections.

Lavender oil helps strengthen the nails and cuticles, and it also keeps them moisturized. It is also

used in skin treatments to boost your skin's natural immunity.

Flaxseed oil is rich in omega-3-fatty acid to boost the nails. It decreases inflammation, skin sensitivity, and roughness in your nails.

Manuka oil helps to protect skin from bacteria and promote overall skin health. It helps to attack the fungus in your nails and keeps your nail healthy.

Aloe vera soothes and takes away your itchiness and swelling. It may also use to strengthen and moisturize the nails.

Chai seeds facilitate alkaline formation, a source of calcium and protein that supports nail growth and collagen production in the body.

SUGGESTED USE: Shake before use. Apply 4 times daily (twice in the morning and twice in the afternoon). Use The enclosed brush applicator to coat the nail and a cotton swab to work the solution into the cuticle. For best results, use an emery board to file the nail surface to allow the liquid to absorb more thoroughly. Store at room temperature.

CAUTION: For external use only. Avoid contact with eyes and do not ingest. If swallowed, drink water and seek medical attention immediately. Discontinue use if irritation occurs.
