1 Wash hands before entering the animal room.

If you choose to wear gloves, be cognizant not to touch sea water that will come in contact with the animals

1.1 Turn on water

1.2 Wash hands

1.3 Dry hands with paper towel

1.4 Turn off faucet with paper towel

2 Turn on the HEPA filter

3 Wipe surfaces (bench, incubator handles, carboys, etc.) with 70% ethanol before and after working in the room

4 Keep 70% ethanol squirt bottles in a designated space to prevent confusion with ASW squirt bottles
