Stimula Blood Sugar Support Ingredients

Stimula Blood Sugar Support comprises natural ingredients that are found to be clinically proven to balance blood sugar levels. Here are a few as given on the official website:

❖ **White mulberry leaf:** It helps balance blood sugar and is very effective in ensuring that it stays within the normal range. It also lowers bad cholesterol levels and minimizes or eliminates diabetic symptoms.

☒ **Bitter Melon:** It is a native Asian herb that helps keep blood sugar in check. This is because it provides an active compound known as Charantin, which slows down carbohydrate digestion. In addition to this, it also lowers LDL cholesterol levels and minimizes or eliminates diabetic symptoms.

☒ **Biotin and Chromium:** These two nutrients are proven to help with blood sugar levels. This is because they stimulate insulin production and ensure that the cells of your body absorb glucose.

☒ **Berberine extract:** It helps lower bad cholesterol and thus strengthens cardiovascular health. It does this because it is a natural and potent anti-inflammatory ingredient that also aids in fat metabolism.

☒ **Cinnamon bark powder:** While cinnamon bark powder is known for its ability to balance blood sugar levels, it also works well in lowering bad cholesterol. This results in a reduced risk of developing cardiovascular issues.

☒ **Juniper berry:** It is a natural antioxidant and has anti-inflammatory properties. These qualities help in maintaining cardiovascular health, as it reduces the risk of hypertension, heart attacks, and atherosclerosis. In addition to this, juniper berry also helps lower bad cholesterol levels.
