ABSTRACT

Thai Ha Clinic

[Thai Ha Clinic](#) has been established for 20 years to take care of people's health. Through 20 years of companionship and development to serve the purpose of medical examination and treatment for patients, up to now, the clinic has gained the trust of many patients in Hanoi city as well as in suburban provinces. Thai Ha clinic is carefully invested in human resources as well as facilities and equipment. The areas of expertise of Thai Ha General Clinic include:
