ABSTRACT

This is the appendix for lymph nodes.

			Lymph Node	(in order of priority)		
	NBF (CODEX)	FRESH (10x)	PFA (CLARITY)	NBF (IMC)	PFA (OCT)	FRESH (OCT)
#1						
#2						
#3						
#4						
#5						
#6						
#7						
#8						
#9						
#10						
#11						
#12						

3 separate pieces required for each of the first 3 columns. At least one (preferably 3) for IMC.

Any additional lymph nodes disperse evenly for OCT methods and collaborative projects.
