ABSTRACT

This protocol details the manner in which candidate subjects for the CNV pilot study will be contacted for recruitment.

Contact protocol

- 1 Make a first phone call to the candidate using the [IRB-approved phone script](#)
Step 1 includes a Step case.
No answer/Non-candidate answers
Candidate answers

————— step case —————
No answer/Non-candidate answers

If this is your first time calling, call the candidate again at a later time. If this is your second time calling, proceed to step 2.
- 2 Send an e-mail and physical mailer to the candidate using the [IRB-approved e-mail template](#) and the [IRB-approved mail template](#)
