1   Hand sanitizer pump outside the door - use before unlocking door

2   Leave jacket outside of lab

3   Sanitize phone/any other object that will be in the workspace with 70% ethanol wipe

4   Wash hands at the sink

    4.1   Turn on water

    4.2   Wash hands

    4.3   Dry hands with paper towel

    4.4   Turn off faucet with paper towel

5   Wipe bench, pipettes, pens, etc with 70% ethanol

6   If it is your "high touch" day, wipe all handles (incubator, freezer, door, etc) with 70% ethanol
