Know before you start.

1   Bogus Data Acquisition Protocol IBefore starting, you need to run a test using the following protocol. I referred to this protocol using a hyperlink: Bogus Data Acquisition Protocol I.

2   I'll display an image using embed code retrieved from Box.

3   I'll show a command using the Command component:

```
for file in ./out/*R1*
do
zcat $file | wc -l
done
```
